

ESWAR B

AI & Data Science Student

✉ eswarbalu28@gmail.com ☎ +91 8925252192 🌐 linkedin.com/in/eswar-balu28 🔗 eswar.me

PROFESSIONAL SUMMARY

AI & Data Science student focused on building real-world applications using Python, data analysis, and automation. Experienced in developing practical projects and deploying solutions through web platforms. Strong foundation in problem-solving, with hands-on exposure to AI concepts, UI development, and system design. Actively building projects that demonstrate end-to-end development capability.

SKILLS

Technical skills

- Programming: Python, Dart (Flutter)
- Data & AI: Data Analysis, Basic Machine Learning Concepts
- Tools: Git, GitHub, VS Code
- Web: HTML, CSS, Basic JavaScript
- Frameworks: Flutter (UI Development)

Core Concepts

- Problem Solving
- Algorithmic Thinking
- Basic Automation

Languages

- English – Fluent
- Tamil – Native

PROJECTS

1. Study Mate – AI Learning Platform

- Built an AI-powered platform for generating study materials and MCQs
- Integrated backend logic for question generation and analytics
- Developed frontend interface for user interaction
- Focused on improving student learning efficiency

2. Portfolio Website

- Designed and deployed personal portfolio: <https://eswar.me> 🔗
- Showcases projects, skills, and development work
- Built with clean UI and responsive design principles

3.Hire Wave

- Developed a full-stack campus recruitment platform with role-based dashboards for students, companies, and administrators.
- Implemented features like job posting, application tracking, and resume analysis using AI integration (Google Gemini).
- Built using React, Node.js, and SQLite with secure authentication and real-time data handling.

4.BovineScan

- Developed an AI-powered system for cattle breed classification and individual identification using computer vision.
- Implemented YOLO-based models with TensorFlow Lite for real-time, on-device inference in a mobile application.
- Integrated biometric muzzle recognition and analytics dashboard for efficient livestock management.

EXPERIENCE

Graphic Design Intern

- Completed internship focused on design fundamentals
- Worked on visual content and basic UI concepts

EDUCATION

B.Tech – Artificial Intelligence & Data Science

Sri Ramakrishna Engineering College, Coimbatore
2024–2028

Higher Secondary (HSC)

Jaycees Matric Hr. Sec. School
2023 – 2024
